Insurance was tabled not enough info as of yet

Fire extinguishers installed, discussion on maintenance and list with instruction will be posted by the units.

Banff film festival discussion and budget presented by Charlotte, grant versus rent for screen, sponsors ect... She is to take the presentation to Council, Tuesday the 14th to seek support. member are asked to show as a delegation. for support. If outcome is favourable the project will go to the next step of planning and commitment by the club.

7 Reports

Membership is up, lots of new people joining.

Rabbits wind-up was fun for all and program done for season.

Ski trails, We have the snow and setting will be good for next Saturday.

Warm and freezing has been a challenge, so not sure how much more grooming will be done, we are short on drivers

Birch-leg, was a success and did receive \$200 from District

Mountain bike trails, Rural Dividend grant application looks good, it could provide 2 to 3 years of trail work, very exciting and great for the community

Rec. trail BC signage will have to be posted, a reprint of summer and winter use details to be considered and a new Timber kiosk should be built to inform users.

8 New business

Safety, light for outside has been purchased, and mounting will happen soon, slip mats in quonset have been installed

Big bike Hearth and Stroke a team will be considered, June 8th, more volunteers needed Hazel will report back to club

Search and rescue building to be upgraded, we will have to find alternated site for a few meeting later this spring

Meeting over 8:45 Next April 4th
